

# TRAINEES

Spring / Summer 2012

The D&I Trainee Program provides law students an opportunity to participate in the day-to-day life of one of the leading Finnish business law firms. We employ law students for traineeships of two to four months.

As a trainee you will work closely with our experienced lawyers and contribute to various assignments in the area of business law. The trainees' tasks include, *i.a.*, drafting and translating of various legal documents.

We appreciate successful studies, social activity, good language skills and genuine interest in attorney's profession.

If you are interested in the D&I Trainee Program, please send your application together with a study register extract and CV **by 18 January 2012** to: [careers@dittmar.fi](mailto:careers@dittmar.fi)

*Working at D&I is a continuous learning experience.*

*The aim of the D&I Trainee Program is to give talented law students a realistic picture of the versatile work in a firm specialised in business law.*
