Energy & Infrastructure

Private Equity

Private M&A

Venture Capital & Growth Equity

Mikko Eerola has over 20 years of experience advising private equity sponsors, infrastructure funds and industrial clients on complex cross-border and domestic transactions and projects.

Mikko Eerola is widely recognised as a prominent Finnish corporate lawyer, valued for his skill and straightforward approach to deal-making.

Mikko Eerola's work is particularly focused on the energy, infrastructure, digital, and renewable sectors. Over the past fifteen years, he has been involved in a significant number of major transactions and projects, representing both international and domestic financial sponsors and industrial clients in these sectors within the Finnish market.

His transactional experience is broad covering a wide range of industries, including accommodation, automotive, consumer goods, forestry, pharmaceuticals, retail and technology.
