#### Practice areas

Data Protection & Cyber Security

IP, Media & AI

Marketing & Life Sciences

Patents & Life Sciences

Technology, Licensing & Data

Amanda Terhonen advises corporate clients on a broad range of regulatory compliance matters, with a particular focus on data protection, privacy and digitalisation. She supports clients in navigating complex and evolving legal landscapes, helping them develop and maintain robust compliance frameworks in an increasingly regulated environment.

In addition, Amanda Terhonen has experience in the Life Sciences sector. She works with clients in pharmaceutical and medical device industries, advising on a range of compliance matters, whilst ensuring alignment with data protection and privacy obligations.
