### Associate

**Mobile:** +358 40 082 6562

**Email:** emilia.rosenblad@dittmar.fi

#### Service areas

Competition & Public  
Procurement

Patents & Life Sciences

Emilia Rosenblad advises international and domestic clients on all aspects of competition law, with a special expertise in competition law compliance, merger control, competition authority investigations and data related matters. She also regularly works on matters related to life sciences and foreign direct investment control.

Emilia Rosenblad has gained a strong understanding of public enforcement of competition law through work experience from competition authorities. In addition to her Finnish law degree, she holds an LL.M. MBL degree in competition, regulatory and business law from Freie Universität Berlin.
