Service areas

Competition & Public
Procurement

Mirva Arvola advises international and domestic clients on all aspects of competition law, with a special expertise in merger control and foreign direct investment (FDI) proceedings, matters relating to competition law compliance, and competition authority investigations.

She has gained valuable experience of public enforcement of competition law through her work in the Competition Enforcement Unit at the Finnish Competition and Consumer Authority ("FCCA"). At the FCCA, she was involved in several competition infringement investigations, which gave her understanding of the application of competition law in different industries.
