## Associate

**Mobile:** +358 50 410 0605

**Email:** roope.fredman@dittmar.fi

**Practice areas**

- Data Protection & Cyber Security
- IP, Media & AI
- Marketing & Consumers
- Technology, Licensing & Data

Roope Fredman advises international and domestic clients on issues related to data protection and cyber security, as well as technology and contract law, with a special focus on the implementation of data protection and information security management. He also specialises in data protection disputes, including administrative court proceedings.

Prior to joining Dittmar & Indrenius, Roope worked at other leading commercial law firms in Finland, focusing on data protection, privacy, technology and communications law.

Roope Fredman is a member of the board of the Finnish IT Law Association. He is also one of the few Finnish lawyers to be recognised as a Fellow of Information Privacy (FIP) by the International Association of Privacy Professionals, a designation for leaders in the privacy field.
