Service areas

Corporate Advisory

Private Equity

Private M&A

Public M&A

Venture Capital & Growth Equity

Stella Aarne advises international and domestic clients on M&A and private equity transactions as well as general corporate and contract law matters. She has experience representing private equity firms and large corporations in complex transactions across various industries, including software, personnel services, infrastructure and banking.

She has particular experience in management participation plans within the private equity sector and has also been involved in numerous minority investments by institutional investors.

In addition, she has worked closely with family offices and has acted as board and working group secretary for the firm's clients, supporting corporate governance and strategic initiatives.
